

# Welcome to Linköping University Summer Academy 2023

## 3 July – 28 July

### A four-week credit-bearing programme in Linköping – Sweden

The programme gives international students an opportunity to study abroad in one of Sweden's fastest growing cities, Linköping. With its innovative university and great student activities you will have the best experience of your life!

Choose from several high-quality courses and gain cultural awareness together with students from all over the world. The courses offer an insight to strong areas of research and education in which Linköping University excels, as well as to Swedish culture.

**APPLICATION PERIOD:**

1 February – 25 March 2023

**COURSE DATES:** 3 July – 28 July 2023

**COURSES**

All courses are at bachelor's level, full-time and worth 7.5 ECTS.

- Sweden: Language, Culture and Society
- Alternative Energy: the past, present, future, and inventions
- Costumed heroes, angry ducks, and single moms – reading and learning in the world of comics –
- Leadership and Organizational Behaviour in Contemporary Organizations
- Nanotechnology – Sustainable Challenges and Social Impact
- The Use (and Abuse) of Culture
