Aleksej Konosonok vindt dit leuk.

**Aleksej Konosonok** no, I doubt it, those are very rare items, they drop from epic bosses, u need at least 2 ally to kill them and still very small chance to drop them...

**Miguel Saillart** Well there is a chance that, close to Munin, a rare NPC spawns who sells 5 gold packs in total for 1.000.000 kinah each. So you have to be very lucky and very fast.
