#### Description:

*Thank You for Arguing* is your master class in the art of persuasion, taught by professors ranging from Bart Simpson to Winston Churchill. The time-tested secrets the book discloses include Cicero's

three-step strategy for moving an audience to actionÑas well as Honest Abe’s Shameless Trick of lowering an audience’s expectations by pretending to be unpolished. But it’s also replete with contemporary techniques such as politicians’ use of “code” language to appeal to specific groups and an eye-opening assortment of popular-culture dodges, including:

The Eddie Haskell Ploy  
Eminem’s Rules of Decorum  
The Belushi Paradigm  
Stalin’s Timing Secret  
The Yoda Technique

Whether you’re an inveterate lover of language books or just want to win a lot more anger-free arguments on the page, at the podium, or over a beer, *Thank You for Arguing* is for you. Written by one of today’s most popular online language mavens, it’s warm, witty, erudite, and truly enlightening. It not only teaches you how to recognize a *paralipsis* and a *chiasmus* when you hear them, but also how to wield such handy and persuasive weapons the next time you really, really want to get your own way.
