Description:

Building and maintaining a successful team is no simple task. Even people who have taken their teams to the highest level in their field have difficulty recreating what accounted for their successes.

Is it a strong work ethic? Is it "chemistry"? What tools can you wrap your hands around to build?or rebuild?your team?

In *The 17 Indisputable Laws of Teamwork*, leadership expert and *New York Times* best-selling author John C. Maxwell shares the vital principles of team building that are necessary for success in your business, family, church, or organization.

In his practical, down-to-earth style, Dr. Maxwell shows how:

- The Law of High Morale inspired a 50-year-old man who couldn't even swim to train for the toughest triathlon in the world.
- The Law of the Big Picture prompted a former U.S. president to travel across the country by bus, sleep in a basement, and do manual labor.
- Playing by The Law of the Scoreboard enabled one web-based company to keep growing and make money while thousands of other Internet businesses failed.
- Ignoring The Law of the Price Tag caused one of the world's largest retailers to close its doors after 128 years in business.

The *17 Indisputable Laws of Teamwork* will empower you?whether coach or player, teacher or student, CEO or non-profit vollunteer?with the "how-tos" and attitudes for building a successful team.
